

Get ready for Elektra's party!

PINK 4 LOVE is the theme for this year's party of radio host Elektra. She is celebrating the 4th anniversary of her show "High Voltage," broadcasted every morning on Laser 101.

This year she has chosen the theme "LOVE" because of her passion for radio and has tied it in with the special LOVE day of the year - Valentine's Day - February 14. Entertainment for this amazing bash will be secured by radio host and DJ "Party Dude" Jason, Dj Outkast (voted best DJ in 2008), the great and dazzling Voodoo Dancers and the Drag Queens. That - and more surprises - will make the night actually a great show you won't want to miss. Whether or not you have plans for Valentine's Day, if you are planning to have fun on the day of love, make sure you go there!

Elektra said to O&A: "Thanks to each and every person, from the bottom of my heart, who has been there for me from the start and has continued to support me throughout the years. I am convinced that a positive attitude, a simple smile,

gratitude, belief in yourself and a deep passion in whatever you do can do great wonders in your life. And don't forget to LET your electricity touch someone!"

PINK 4 LOVE will be held at BLISS on Valentine's Day - February 14. The entrance is \$20 at the gate and the dress code is Passion Pink, Erotic Red and Cupid White. Everybody is welcome from 10:30pm; dress to impress because it
